# MUHAMMAD ZEESHAN ALI KHAN

Skilled Frontend Developer with expertise in HTML, CSS, JavaScript, React.js, and WordPress. I focus on crafting responsive and functional user interfaces that work seamlessly across devices, combining clean code with modern design principles.

## WORK EXPERIENCE

### GI-Extensions

#### Frontend Developer Intern

Completed an internship in frontend development, designing responsive web pages and collaborating on real-world projects. Worked with teams to create user-friendly interfaces and implemented features using HTML, CSS, JavaScript, and React.js.

**October 2024 - January 2025**

### Pak DracoTech Solutions

#### Web Designer Intern

Interned remotely at Pak DracoTech Solutions, exclusively focusing on the daily design of various website layouts using HTML and CSS

**February 2024 - May 2024**

## Top Projects

- **PointerHub:** Designed a responsive website called PointerHub using HTML, CSS, and JavaScript. Made sure it works well on all devices with a simple and user-friendly design.
- **Islamic Relief Worldwide:** Designed a web page for the Islamic Relief Worldwide website with a clean and responsive layout using HTML, CSS, and Bootstrap
- **Final Year Project:** Responsible for designing and implementing the front-end of our final year project website using React.js.
